Dear Sir or Madam,

Opening of applications for the Chevening Scholarships programme 2025/2026

I am delighted to announce that applications for the 2025/2026 Chevening Scholarships programme are now open. We would warmly welcome applications from individuals within your institution who demonstrate the potential to become future leaders.

Funded by the British Foreign, Commonwealth and Development Office (FCDO) and partner organisations, Chevening offers fully funded scholarships to study for a master's degree at a UK university to individuals with realistic and achievable ideas to create positive change. We're looking for open-minded, driven, solutions-focused people from a diverse range of backgrounds who demonstrate outstanding influencing, leadership, and networking skills.

Applications must be submitted online at chevening.org/apply by 5 November at 12pm GMT.

Applicants should read the online guidance on chevening.org to ensure that they meet the Chevening eligibility criteria before submitting an application. For any additional questions about the programme, please encourage them to visit chevening.org/contact-us.

Please find attached a Chevening applications marketing presentation and a Chevening FAQ document to help you promote Chevening Scholarships.

Yours Sincerely,
